

VERSE TWO:

Am **C** **G** **F**

I was just a victim of circumstance

Am **C** **G** **F**

Played by a guy who couldn't keep it in his pants

Am **C** **G** **F**

I'm just not into friends with benefits or one night stands

Am **C** **G** **F** **(to chorus)**

And you saw something beautiful when I was mess and I confess

BREAK: C, Am, G, F, C, Am, G, F, Am, C, G, F, Am, C, G, F

VERSE THREE:

Am **C** **G** **F**

My heart stops when you look at me with those stars in your eyes

Am **C** **G** **F**

Because you were not at all like any of those other guys

Am **C** **G** **F**

You rescued me, you build me up, you took me home

Am **C** **G** **F** **Am** **C-G-F**

And if that isn't love then I guess that I just won't ever know it
