INTRO: B, A, B, F# (x2)

VERSE ONE:

B A B A B A B F#
Feels like I've been starin' at the clock for 20 years
B A B A B A B F#
Just wish that the weekend would hurry up and get here
C#m
Take me out to that backwoods bar
B
Lower the roof on your car
A
Put the hammer down on that four on the floor
E F#
C'mon, c'mon... let's get this party on

CHORUS:

E B A
'Cause when the sun goes down in this one-horse town tonight
E B
We gonna shake it loose, kick off your shoes
A
Everything will feel all right
C#m B A
Yeah, we gonna get lit up (lit up)
C#m B A
Yeah, we gonna have some fun (some fun)
C#m B A F#
Tell that devil on your shoulder he had better bring it on...
B A B F# B A B F#
Saturday night
