**INTRO: C, Am, F, G**

**VERSE ONE:**

**C** **Am**  
Dirty feet and messed up hair

**F** **G**  
Sun is shining so we just don't care

**C** **Am**  
Soft breeze and a bright blue sky

**F** **G**  
Sure don't feel like wasted time

**C** **Am**  
Mischievous thoughts and a crooked smile

**F**  
Take my hand and we'll walk the mile

**(F)**  
Down to the swimming hole

**G**  
Don't know how I didn't know

**CHORUS:**

**Am**  
That when you slow it down

**F**  
Take a step back

**(F)**  
Take a deep breath

**G**  
And look around

**Am**  
You'll see

**F G**  
Life can always be

**C – Am – F – G**  
Summertime... ..Summertime

**C – Am – F – G (to Intro)**  
Summertime... ..Summertime

**VERSE TWO:**

**C** **Am**  
August nights staring at the stars  
**F** **G**  
Shirtless boys and topless cars  
**C** **Am**  
Cherry Popsicles, Coke on ice  
**F** **G (to Chorus)**  
Can't ask for anything more to life

**VERSE THREE:**

**C** **Am**  
Cold drink in my hand; sand in my shoes  
**F** **G**  
All day and all night nothing to do  
**C** **Am**  
Running barefoot in fresh-mown grass  
**F** **G (to Chorus)**  
Sure wish summer didn't have to pass
