INTRO: D, E, F#m (x4) E

VERSE ONE

A **E** **C#m** **D**
Maybe I've been co-dependent on a dark-eyed Hamlet smokin' cigarettes
A **E** **C#m** **D**
Maybe I've been too reliant on his attention and acceptance
F#m **E**
You're hanging around when the times are high
C#m **D**
But whenever things get low
F#m **E**
You pack up your things and you're gone like the breeze
D **E**
Honey, you're just a ghost

CHORUS

A **C#m**
If you're just gonna be a good time Charlie
E **D**
I'm gonna say bye, bye, bye
A **C#m**
You know me, I'm always ready for a party
E **D**
But I don't need a fly by night
F#m
If I can't bet my bottom dollar
C#m
Then I'm not gonna bother
E **F#m**
I can't count on you in a fight
A **C#m**
So if you're just gonna be a good time Charlie
E **D**
I gotta say bye, bye, bye
A
Bye, bye, bye
E
Bye, bye
D (to intro)
Baby, bye, bye

VERSE TWO

A **E** **C#m** **D**
Maybe I've been shadow dancing hiding behind my insecurities
A **E** **C#m** **D**
Yeah, I've been shadow dancing 'cause I don't want to face reality
F#m **E**
My life's been a tragedy straight outta Shakespeare
C#m **D**
Where if it can go wrong, it will
F#m **E**
And you ain't got my six if you can't get your kicks
D **E (to chorus)**
So go swallow this bitter pill

BRIDGE

D **E** **F#m**
Bye, bye, bye... fair-weather friends
D **E** **F#m**
Bye, bye, bye... 'cause you don't intend
D **E** **F#m**
Bye, bye, bye... to lend me a hand
D **E** **F#m**
Bye, bye, bye... I should've known
D **E** **F#m** **D** **E (to chorus)**
Bye, bye, bye... I'm gonna pick up the pieces alone
