VERSE ONE

Am **G**
I got a secret I don't wanna tell
Am **G**
I got a weakness; I'm under your spell
F **C**
Here in the dark, alone in my car
G **Am**
Rain was pouring down
F **C**
The lightning was flashing and thunder was crashing
G
You gave me your vow

CHORUS

Am
Now I'm walking on moonshine
G
Ten feet off the ground
Am
Walking on moonshine
G
When you come around
C **G**
The clouds pull back from the sky
Am **F**
We're drowning in the light
C
And I know you are mine
G **Am** **G**
We're walking on moonshine
Am **G** **Am**
Walking on moonshine

VERSE TWO

Out late every weekend; they don't know where I've gone
I'm playing defense; they think I'm getting drunk
We're both stone sober, then you pull me closer
Heart hammers in my chest
I want you to myself
For a little while yet

SOLO: C, G, Am, F, C, G, Am, F, G

BRIDGE

Feels like my whole life, I have been biding my time
My heart is racing, quivers run down my spine
Your love is white lightning, gunpowder to priming
A hundred and eighty proof ride
